SHERIFF'S COLLECTIONS FAR OUTSTRIP EXPENSES

Fines from Blind Piggers Net County Big Balance for Treasury

The Ukiah Press this week says:

"The federal government should pay for the enforcement of prohibition. Here in Mendocino county, where taxes are already too high, it resulted last week in the county supervisors appropriating approximately $7,000 more this year than the sheriff's office cost last year, the impression being the additional sum was needed to meet enforcement expenses. The figures indicate the sheriff's office, exclusive of the sheriff's salary, which is $500 a month, and the deputy salaries, will this year cost the taxpayers $19,068.00."

The editor of the Press is evidently laboring under the same misapprehension as many other Mendodocino county citizens.

The sheriff's office not only collects in fines the $500 per month of the sheriff's salary, but also nets a profit of many thousands of dollars above the sum set aside for expenses. In 1923 the sum of $12,778.14 was used by the sheriff's office for expenses. The total amount of fines levied in 1923 as nearly as we can ascertain at this time, was $34,150. The net profit to the county therefore, was about $22,000.

For this year, the showing is nearly as good. Since last January a total of $20,520 has been levied in fines to date, and there are 15 cases still pending which will pay the expenses of all the work of obtaining evidence to date, leaving the amount thus far collected as a net profit. There are still nearly four months left in the year for the sheriff and his men to work in.

The supervisors were fully advised as to all the facts when they allowed the sheriff's office $19,068 for this year's expenses. There was not a dissenting word when the motion was made to allow that amount. On the contrary approval was expressed by all present, including the taxpayers' committee.

We do not think it would do at all to leave enforcement to the federal officers. They are absolutely incompetent so far as Mendocino county is concerned. Our best protection is the sheriff and his deputies and as long as the fines more than pay the expenses of getting the evidence and prosecuting the cases we can not see that there is any valid objection to allowing the sheriff's budget.

HOSPITAL HEADS MEET AT TALMAGE ASYLUM

The meeting of the state hospital heads scheduled to be held Friday was held Wednesday and Thursday of this week instead. There were present at the meeting the following:

H. R. Braden, member State Board of control.

W. D. Wagner, Director of Institutions.

Dr. Fred Clark, Supt. Stockton State Hospital.

Dr. J. M. Scanland, Supt. Napa State Hospital.

Dr. L. S. Stocking, Supt. Agnews State Hospital.

Dr. J. A. Reily, Supt. Southern California State Hospital.

Dr. E. Waite, Supt. Norwalk State Hospital.

Dr. F. O. Butler, Supt. Sonoma State Home.

G. B. McDougall, State Architect.

The party were the guests of Dr. D. R. Smith, head of the local institution.

The principal purpose of the meeting was to take up the budget and decide as to the appropriations to be asked of the legislature at the next legislative session.

Senator F. C. Handy was present and took part in the conference.

Mrs. Chris Bruns left the first of the week, accompanied by her mother, for San Jose, where she will remain for a few weeks' visit.

LOS ANGELES VISITOR AT YORK HOME HURT

Unseated from the saddle when the horse she was riding started to buck, Mrs. Sue Carmien, a Los Angeles visitor at the Roy York home in Ukiah, was seriously injured on Elk Mountain, Lake county, Sunday.

Mr. and Mrs. Carmien, with Mr. and Mrs. Robert Courtwright, recently came from Los Angeles to enjoy a hunting trip on Elk Mountain, and were staying at the York cabin there. They were joined Saturday night by Mr. and Mrs. Roy York of Ukiah. Mrs. Carmien expressed a desire to ride horseback, and a gentle animal was obtained at the ranger station.

Shortly after Mrs. Carmien mounted, the horse began a terrific bucking which soon unseated Mrs. Carmien, throwing her off, her foot catching in the stirrup. She was dragged a considerable distance by the frightened animal, until she lost the shoe off her foot, which released her from her perilous position. She was picked up unconscious by her husband and friends, and rushed to Ukiah, where it was learned she was suffering from several fractured ribs, numerous cuts and bruises, and severe shock. She is reported to be much improved at present. Mrs. Carmien was formerly Mrs. Ed. York Jr.

It is thought a hornet stinging the horse started it to bucking.

JUDGE FINDS AGAINST WILLY-KNIGHT AUTO

Judge Preston last Friday rendered his decision in the case of the People against a Willys-Knight automobile. He decided that the automobile, which belonged to one, Chicci, and which was taken while it was being used to transport liquor, could be levied on under the state laws and sold to pay the expenses of capturing and keeping it. After the expenses are paid the bank which holds the contract on the machine may satisfy its lien and collect its attorney fees and then the remainder of the price realized from the condemnation of the machine will go to the county treasury.

The decision opens the way for future similar actions.

Along the same lines the district attorney may open condemnation proceedings against places where liquor is kept or sold and close them up for a period of a year, during which time they may not be occupied as residences or used for business purposes of any sort. There are many such places in the county, which have been raided time after time, and it would not seem to be a bad idea for District Attorney Hurley to take condemnation measures against them.

LAUNDRY CHANGES HANDS

Mr. and Mrs. R. C. Amstein have sold the Ukiah steam laundry to Howard W. Mitchell, of Sacramento, who took possession the first of the week and who is now conducting the business. Mr. Mitchell is an experienced laundryman and bids for a share of the patronage of the public in Ukiah and vicinity.

He is a pleasant gentleman to meet and will be welcomed in the business life of the town.

Mr. and Mrs. Amstein are leaving many warm friends behind who unite in wishing them success wherever they may elect to settle.

HOLDING BIG SHOE SALE

Hornbrook's shoe store, the home of good shoes in Ukiah, is holding a big sale of its stock, and particulars may be obtained by consulting the ad in this paper. The prices quoted seem to be unusually low for such sterling values, and doubtless many will avail themselves of the chances offered to obtain bargains.

County Clerk Prather and family spent the week end visiting Arnie Ornbaun in the Ornbaun section.

Judge Redwine and wife, of Covelo, were week end visitors here at the home of Mrs. Jessie Redwine.

SUPERVISORS TRANSACT REGULAR MONTHLY ROUTINE OF BUSINESS

The Board of Supervisors met at 9 A. M. Sept. 2, 1924, pursuant to law to set the tax rate for the ensuing year. Present: A. J. Fairbanks, chairman; E. L. Williams, E. M. Ford, W. H. Ross and N. P. Howe, members.

The minutes of the previous meeting were read and approved.

A resolution to appropriate $5,000 in the budget for a County Free Library was defeated.

The rate of taxation on the hundred dollars for county purposes was fixed at $2.00 inside incorporated towns and $2.40 outside incorporated towns.

The following rates of taxation on the $100 valuation for school purposes: Albion, .45; Bear Harbor, .37; Bridgeport, .16; Counts, .20; Fort Bragg, .94; Farley, .25; Galloway, .45; Glen Blair, .06; Greenwood, .21; Jackson, .21; Laurel, .03; Leggett Valley, .28; Little Lake, .20; Low Gap, .30; Mitchell, .45; McDowell, .14; McNear, .12; Noyo, 1.06; Occidental, .88; Potter Valley Union, .59; Redwood Valley Union, .54; Round Valley Union, .65; Spring Grove, .21; Ukiah, .62; Virgin Creek, .08; Willits, .54; Ryan Creek, .05; Signal, .35; Two Rivers, .13.

The assessment of the Northwestern Pacific R. R. Co. and the Pullman Co. in Mendocino County by the State Board of Equalization was entered in the minutes.

The statement by the County Auditor of the financial condition of Mendocino County, under section 3737 of the Political Code was ordered filed.

The amount for official bonds of constables of Mendocino County was fixed at $1,000.00 each.

The Judge of the Superior Court of Mendocino County prescribed $2,000 as the amount of official bond required from a Supervisor of Mendocino County.

It appearing that the returns of the August 26th election had been received from all of the voting precincts in Mendocino County, the Board adjourned to 9 A. M. Sept. 3, 1924, to canvass the votes cast at said election.

The Board at 9 A. M. Sept. 3, 1924 with all members present except W. H. Ross.

The Board canvassed the vote cast at the election held Aug. 26, 1924, and declared the result as set forth and entered in the minutes of the Board.

The Board then adjourned to Sept. 8, 1924.

The Board met at 3:30 o'clock P. M. September 8, 1924, with A. J. Fairbanks, chairman; E. L. Williams, E. M. Ford, W. H. Ross, and N. P. Howe, members present.

E. V. Pettis, Traffic Officer, was granted a leave of absence from the State until January 1st, 1925.

A claim of P. H. Joseph against the County of Mendocino for $18.00 for glasses was rejected.

The County allowance to August Lazzarini was discontinued after Sept. 30, 1924.

Lizzie Pyhaluoto was granted a county allowance of $30.00 a month cash beginning Sept. 1st, 1924.

Mrs. Mary Alameda was granted an allowance of $25.00 a monh cash beginning Sept. 1st, 1924.

The county allowance of Louie Owens was discontinued Oct. 1, 1924.

Plans and specifications for construction of a reinforced concrete vault in County Treasurer's office were accepted, and bids for the construction of the same, to be opened

FIRE WARDEN LOSES AUTO; BADLY INJURED

Tom Clary, deputy fire warden of this place, had a narrow escape last Saturday when his automobile went off the grade near the scene of the Low Gap fire, which Clary was attempting to put out with a force of men.

Clary was en route back to the county road at Windy Nook after a trip into the old Hussey place, by a narrow private road which leads to the Hussey and Snuffin ranches. His car went over the bank, when the roadway gave way at a place where it was supported by a log, which had burned out. Clary was thrown clear of the car and into a bed of coals, and received a badly burned arm. He scrambled out and back to the road and fought his way out through the fire, leaving the auto to its fate. The machine was destroyed.

The fire burned over about 1500 acres of brush and timber on the Brunner, Snuffin and Mann places.

CHIROPRACTORS TO MEET HERE ON OCTOBER 5TH

Through the efforts of Ralph Blend, local chiropractor, the regular monthly meeting of the northern section of the California State Chiropractors' Society has been brought to Ukiah. The meeting will be held on October 5, but the most of the delegates are expected to arrive on Saturday, the 4th.

Arrangements are being forwarded by the chamber of commerce to provide some sort of entertainment for the visitors.

Dr. Blend deserves the thanks of the community for his efforts to bring the meeting here, as Ukiah will come in for some good advertising as the result of their visit.

G. A. Keller and wife were visitors to Napa the latter part of last week.

UKIAH MERCHANT HURT IN MOTOR CAR ACCIDENT

Bert Cleland, well known Ukiah business man, was more or less seriously, but it is thought not dangerously, hurt last Tuesday morning, when his car went off the grade on the Boonville road. The accident happened about a quarter of a mile this side of the S turn below Bell valley. Cleland was going down hill and another car was coming up. They met on a turn and Cleland turned his car to the outer side of the road to avoid a collision. The other car is said to have struck his car and forced it off the grade.

Earl Cox, who was driving Cleland's hearse close behind, soon arrived on the scene, together with several others, and Cleland was taken to Boonville.

The car was driven out on its own power.

Cleland was unconscious for a time, and suffered several hours from concussion of the brain, but is now getting along well, and no untoward effects are anticipated.

POTTER VALLEY GIRL ACCIDENTALLY SHOT

POTTER VALLEY, Sept. 10.—Mrs. Hinton's granddaughter, who lives with her grandmother near Baker Springs, accidentally shot herself last Friday. She was going out of the door with a rifle when the gun was discharged, sending the bullet through her left breast. She was immediately taken to Willits for medical aid. The wound is not thought a serious one.

BREAKS COLLAR BONE

Bert Gibson suffered a fracture of his right collar bone the first of the week, when a horse he was riding fell. Mr. Gibson was thrown from the horse and the barrel of a rifle he was carrying struck him on the shoulder, causing the fracture.

NATIVE SONS PLAN ACTIVITIES FOR WINTER

After the regular meeting of the Native Sons of the Golden West Friday evening, September 5, there were several local prominent people taken into their membership, the initiatory work being performed by their degree team. A well appointed banquet followed, interesting talks being given and considerable mirth being occasioned by the stories of Dr. "Tony" McMahon, who belongs to Stanford Parlor of San Francisco. Dr. McMahon was followed by Dr. Donald R. Smith, who spoke on "Defense Day," which will be held on September 12, and what it meant to every community, California in particular. It was the unanimous expression that all Native Sons meet at the Palace hotel at 10:30 a. m. and go to the State theatre in a body.

A snappy social calendar is being prepared for the coming months, including dances, socials, etc. One in particular will exceed the "Italian Night" held last fall.

The local parlor of Native Sons have had a great honor conferred on them in obtaining the membership trophy for having secured the greatest number of new members in comparison with other parlors of similar rating.

Besides the coming social events, the local parlor have two slogans which they will endeavor to follow up, "Better Citizenship" and "Civic Betterment."

WM. HOWARD PASSES TO REST SEPT. 7TH

Wm. Howard, a member of one of Ukiah's oldest pioneer families, passed away last Sunday after several month's illness. Funeral services were held on Tuesday from the Eversole chapel, the sermon being preached by E. R. Couch, pastor of the Baptist church, and the Masons taking charge of the obsequies at the grave.

Mr. Howard was born in Fort Smith, Arkansas, Nov. 27, 1841. He crossed the plains with his father, the late M. W. Howard, in 1856, and the family settled here in 1858. He had lived in this county ever since, being engaged in ranching the greater part of his life.

He leaves to mourn his passing a widow and five children, as follows, Lou and Elmer Howard, Mrs. Fred Smith, Mrs. Fred Rothschild and Rachael Markham. He also leaves four brothers—Alf, Pete, Mack and James.

Mr. Howard was a citizen of sterling honesty and his loss will be keenly felt by his many old time friends. To the sorrowing widow and children, the heartfelt sympathy of the community is extended in their bereavement.

GETS FINE

The case of the People vs. Angeli, who was arrested at Fort Bragg and charged with assault with a deadly weapon, a knife, on E. Borelli, was tried yesterday in the superior court, the jury bringing in a verdict of guilty of simple assault. The defendant asked for judgment at once and was fined $250 by Judge Preston. In the afternoon a damage suit brought by Borelli against Angeli in connection with the same assault, was tried before the judge, who, after hearing the evidence, assessed the damages at $230.

WILLARD BROADDUS HOME

Willard Broaddus, who has been absent for several years, a portion of which he has spent in the regular army in the Philippines, returned Tuesday to his home at Talmage and will remain for some time visiting his parents there.

Broaddus has had many varied experiences since leaving here, and has enjoyed life, but is nevertheless glad to be home again.

Atty. M. H. Iversen and wife and Elmer Gibson and wife were among those from Ukiah who attended the state fair at Sacramento the latter part of last week.

SEVERAL IN LINE FOR TAX COLLECTOR'S JOB

Candidates Numerous Should Incumbent Cunningham Tender Resignation

The resignation of Tax Collector Loe Cunningham, which it was rumored last week would be tendered to the board of supervisors at their meeting this week, did not materialize. Mr. Cunningham's friends, according to report, have advised him against any such move at this time, as he steadfastly maintains his innocence and it is believed a resignation under the circumstances would create a false impression with the public. Arrangements are being made to take up the matter of furnishing an additional bond in lieu of the eight thousand-odd dollars already paid by the bonding company to make up the shortage.

It is stated that the surety company will ask to be released from the entire bond, and, according to report, Mr. Cunningham's friends yesterday had completed arrangements to make up a personal bond, should the company take such a course. The bonding company has been recompensed for its loss of $8,000, we understand.

The prospect of a vacancy in the office has brought out a flock of applicants. Among them are Volney Van Dyke, of this city, Robert Redwine, of Covelo, Roy Milne, of Talmage, I. F. Iversen, of Fort Bragg, a brother of Atty. M. H. Iversen of this city (he is said to have withdrawn when the board appointed John McGimsey, Attorney Iversen's father-in-law as janitor this week), M. B. Gibson, and George Willits, of Willits. There are rumors of several others.

The lineup on the supervisors is reported to be as follows: Chairman Fairbanks, neutral; E. M. Ford, favoring Van Dyke, his son-in-law; Newt Howe, favoring Iversen, with Van Dyke as second choice; E. L. Williams, neutral; Wm. Ross, neutral. Iversen's withdrawal, if true, will give Van Dyke two votes. Redwine hails from Fairbank's district, as does also Willits; Milne is supposed to not be unacceptable to Williams, who is also reported to have no objections to Van Dyke.

As the matter stands, it is anybody's job—provided always, of course, that Cunningham is forced out. Should he provide the bonds required, he cannot be made to resign on mere suspicion. It would require a conviction by jury.

Sheriff Byrnes will make a full and complete investigation of the shortage, it is stated, after which action will be taken by the authorities.

DEATH OF MRS. HASWELL SHOCKS FRIENDS HERE

The Ukiah friends of Mr. and Mrs. C. N. Mortenson and of Mrs. Haswell, mother of Mrs. Mortenson, were shocked to learn of the death of Mrs. Haswell, which occurred in San Francisco last Monday.

Mrs. Haswell had visited here a great deal and had a host of warm friends among Ukiah people.

She left here several weeks ago on account of failing health, but her friends had no idea her condition was so serious and the news of her death brought a shock to all.

The cause of her death was dropsy following chronic heart trouble.

The sincerest sympathy of their Ukiah friends is extended the bereaved relatives.

UKIAH FAMILY IN AUTO WRECK

Mr. and Mrs. Charles Edson and son, Chester, of Ukiah, were pinned under the machine in which they were riding when a collision took place with another car between Maxwell and Williams in Colusa county last week. Mr. and Mrs. C. A. Lynch, of Ukiah, were the occupants of the second car, traveling in the opposite direction, and, not being injured, were able to lend assistance to the family pinned under the car. Members of the Edson family were not injured.

NOTICE TO HUNTERS

The owners of the McNab ranch regret that, owing to the wilful destruction of property and the setting of fires by certain alien hunters, it has become necessary to lock all range gates and close the ranges during the hunting season of 1924. Rangers will patrol the boundaries. To prevent misunderstanding by non-residents, notice is given that there is no government or vacant land of any description within the entire enclosure.

A Complete Array of Correct Autumn Styles In

MALLORY HATS

Style Is All In Your Head

The most important expression of pride and personality is *your hat.* It is the only article of a man's dress that is not buttoned, knotted, pulled, hooked or laced on. That's a big, little truth you have never thought of. We have, and all the *dash of design* and *freedom of line* that make up Pride and Personality are concentrated in our Fall Styles. You are charged only for excellence of quality; nothing for exclusiveness of style.

HAVE OPERATORS READ ALOUD TO IMPROVE VOICES

Reading aloud at home is one of the means employed by telephone operators to develop the flexibility of their voices.

Girls in other positions are able to bid for favor in a variety of ways, but the telephone operator must depend on her voice. In the schools for training operators throughout the Bell System, tone enunciation and voice placement are the subjects of the greatest importance.

The telephone operator is told that the tone of her voice must be as carefully selected as, in private life she selects the color of her frocks, that her enunciation must be wactched as painstakingly as the cut and style of her costume. She is also schooled in the principles of resonance, for a voice which is lacing in resonance is forced in the throat and is likely to tire.

It was not always thus. In the early days of the telephone industry, when boys were employed as operators, strength of vocal cords was the criteron by which operators were picked. Those were the days when the same devices served as transmitter and receiver, and it was necessary to shout in order to be heard.

Today, loud speaking does not count so much as clear enunciation produced by the correct position of the various organs of speech. The person who speaks slowly and distinctly is heard better than the person who shouts.

NOW, THE MORNING GLORY

Office of the
COMMISSIONER OF HORTICULTURE
Mendocino County, Calif.

(COPY)

Ukiah, Calif.,
June 23, 1924.

J. A. Waldteufel, Esq.
Agent "The Weedicator Company"
Ukiah, California.
Dear Sir:

In the Fall of 1923 I used about 20 gallons of "WEEDICATOR SURE-SHOT" in the orchard of E. L. Cunningham, (Mack Howard ranch.)

The material was applied according to the directions of the Manufacturers.

After watching the effects of spraying for about eight months, or up to June 1924, both as to its effect on the MORNING-GLORY and as to whether the soil has been injured, I find:

There are a few shoots of morning glory appearing in what was a solid mass of same, these few shoots may have been dragged in, in cultivation this spring, and they may not have been. As the ground appears today, I would say that there has been from 70 per cent to 80 per cent kill. Another application this Fall should clean it up entirely.

The ground has in no way, that I can see, been affected.

Yours truly,
(Signed) ORVAL TADLOCK,
Horticultural Commissioner.
for Mendocino County, Calif.

As supplies of "Weedicator" are not kept on hand, it will be necessary to order early.

WORLD'S RECORD IN TUNNEL CONSTRUCTION

View of tunnel 20 feet in diameter, Pacific Gas & Electric Company's Pit No. 3 Power Development, Shasta Co., where a world's record has been broken by driving and completely timbering a section 600 feet in length, during the past month.

Construction crews of the Pacific Gas & Electric Company working at the intake of heading No. 1 of the Pit No. 3 tunnel in Shasta County, have broken the world's record in tunnel construction by driving and timbering 600 feet during the month of August. This tunnel is 29 feet in diameter and to make the record the crews advanced 25 feet per day for the last 3 days, which is also a daily record on this job.

Records of about 800 feet per month have been made in hard rock not needing timbering, and records of over 1000 feet have been established in soft foundations but this is the first time known where 500 feet of tunnel of this size has been driven thru agglomerate rock, dirt, mud and bolders and completely timbered in a month.

The work was done by 3, eight hour shifts of 22 men each. The force on each shift consisted of 2 shift bosses, 11 miners, 8 muchers and one man at an air-operated steam shovel. The work was in charge of R. N. Scott, underground superintendent. L. A. Scott was the foreman in charge of the heading when the record was made. William Hitch was night foreman. The six shift bosses on the job were: M. Takola, M. Kruaich, J. McLaughlin, T. Posozivich, R. Gurick and B. Lewis.

The record made on No. 1 heading and the favorable progress in the remaining headings insures completion of the 4 mile tunnel by January 1st, 1925.

2400 feet in all have now been driven. The engineers in charge have considered the tunnel the most uncertain feature of the development. With the work now completed they announce that there is no doubt that the plant will be completed and in operation, July, 1925.

When this development was begun it was expected that the plant would not be put into operation until the late fall of 1925. This Pit No. 3 plant will add 108,000 horsepower to the Pacific Gas & Electric Company's system, which in ordinary times would take care of several years growth in power demands in Northern California.

Notes From Agriculture Class of Ukiah High School

Ukiah Boys at State Fair Camp

Under the auspices of the state fair association a high school boys camp was held at the state fair for the first three days of September. Four agreiulture students accompanied by an instructor were allowed from each school, and there were about 40 schools represented. Ukiah high school was represented by Malcolm Beck, Morris Norgard, Ted Richey, David Squires, and their instructor, Arthur Shultis. The boys studied agriculture and farm mechanics to a great advantage. But it was not all work, so everybody had a good time. In addition to free admittance to the fair and free camp facilities the boys were admitted free to the races, horse show and other entertainment.

On the last day of the camp Governor Richardson with the fair directors visited the camp. The boys were assured that their camp was such a success that it would be an annual affair so that each year the best students from each high school agriculture department would get this trip as a reward for merit.

In speaking to the boys Governor Richardson said that they were making no mistake in studying agriculture as the lot of the farmer in this bountiful commonwealth is bound to be good. He also laid emphasis on three important qualities for success in any occupation—common sense, industry, and thrift.

TWO TOURISTS LOST IN COMPTCHE SECTION

COMPTCHE, Sept. 8.—Two young men of Alameda, who are camping with a party of friends at the North Fork bridge, were lost for two days and nights, but finally showed up Friday afternoon at C. B. Mallory's old camp of which H. Ottoson is caretaker. They left their camp Wednesday evening, expecting to be back the next morning. When evening came and they did not come back, their fellow campers became alarmed and began to search for them. The next morning the men of the neighborhood took up the search but were unable to locate them. Friday afternoon they walked into Mallory's old camp and were given food, after which they walked to their camp, none the worse for their adventure.

Judge Frank Whipple and Chas. Raudio, of Fort Bragg, were here the latter part of last week on business in court, appearing is witnesses on a probate matter.

Mrs. Chas. Lambert, of Suisun, is here for a visit with her parents, Mr and Mrs. Wm. Broaddus, of Talmage.

POLA'S LATEST PICTURE SAID TO BE HER BEST

Critics who have seen Pola Negri's latest starring picture for Paramount, "Lily of the Dust," declare it is like the steeple of a cathedral, the crowning ornament of many years of careful building.

Produced by Dimitri Buchowetzki, do directed "Men," the star's new vehicle is at once the most dramatic and most entertaining of all the pictures in which she has appeared.

The story deals with the struggles of a girl with the world but it is not a story of generalizations. Three men only are involved and each of these three influence the girl for good or evil. While the background to the four important figures of the drama is a colorful weave of European life with its vices, its virtues and its infinite variety, the chief characters themselves stand out with the vivid strength of silhouettes.

In the cast chosen to support Pola Negri in "Lily of the Dust" are figures which have stood for genuine achievement on both screen and stage. Ben Lyon, Noah Beery and Raymond Griffith head the cast.

The picture will be at the State theatre next Thursday and Friday.

Mrs. Burrey, Ukiah librarian, left this week for her vacation, which she is spending at San Francisco and San Jose. During her absence, Miss Esther White, assistant librarian, will have charge of the library.

Mrs. J. G. Thomas, of Berkeley, was a Ukiah visitor the latter part of last week.

A party composed of Jack Smith and wife, Ben Edwards and wife, W B. Hagans and wife and Frank Roberts and wife motored to Sacramento to take in the state fair the latter part of last week.

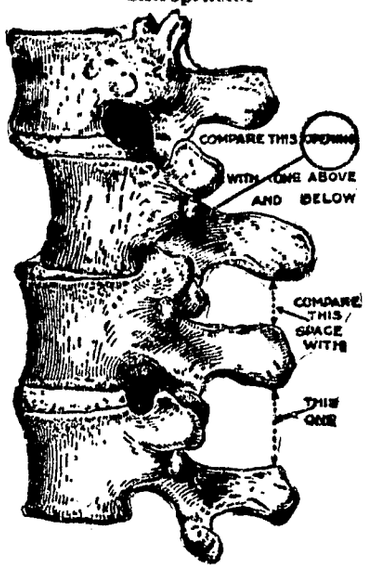
CHIROPRACTIC AND THE NERVES

DR. R. S. BLEND
Chiropractor



Examine the picture of a part of a spine with a sub-luxation (displaced vertebrae) and you will realize what happens to your nerves when they become pinched between vertebrae that get out of alignment through accident or heavy strains. When a nerve is pinched by subluxated vertebrae it can not supply the organs with the normal amount of energy and disease is the result.

The Chiropractor adjusts the displaced vertebrae to a normal position, which removes the pressure on the nerves and allows them to do their full duty and a gradual return to health is then possible.

You can no more have health with impinged nerves than you can have efficient service from your automobile with only half of its cylinders firing. Don't wait till your machine stops, see me now, I will be glad to explain to you how Chiropractic will help you. Examination and spinal analysis is FREE.

NEWS NOTES FROM COVELO

COVELO, Sept. 9.—Both our schools opened September 8. The union grammar school has the same teaching staff as last year—principal, Frank Zeek; assistants, Mrs. Ada Robinson, Miss Leila English, and Mrs. Freda Walters. A domestic science teacher, Miss Irene Wallace, has been added this year to teach cooking, sewing, etc., in both schools. Principal Zeek will again conduct the boys' band, which will be made up of pupils from the high school as well as those of grammar school age. A number of new musical instruments are being ordered for the boys. During the summer Mr. Zeek took a special course in music at the summer session of the university and is well qualified to make a success teaching music in our schools.

The R. V. U. H. S. opened with a decided increase in attendance this year, the enrollment being more than sixty. There are fifteen students in the senior class, which is the largest class so far. The high school is extremely fortunate in having G. C. Barton for principal another year. The assistant teachers are Mr. Ruch, manual training and physical education; Miss Hilda Von Soosten, commercial teacher; Miss Marquita Derby, English and Spanish; Miss Grace E. Lund, history and physical instructor for the girls.

The Misses Mary and Helen Montgomery are here from the Lane hospital, where they have been in training for more than a year. These young ladies graduated from the local high school with the class of '23 and have many friends who are glad to see them after their prolonged absence. They will remain here about a fortnight, visiting their parents and other relatives.

Mr. and Mrs. Robert Redwine spent several days in Ukiah recently, returning Monday.

Mrs. Asa Tracy, of Cummings, is visiting Mrs. G. E. Purcell, her friend and former neighbor. Mrs. Tracy is the mother of Cashier Arthur Tracy of Ukiah.

Philo Short and family of Bell Springs drove over from their ranch the last of the week to bring Miss Christine Short over to attend high school.

Mr. and Mrs. Dan Drewry, of Island Mountain, also motored here to bring high school students—their son, Dan Drewry, Jr., and Miss Harleen Drewry.

J. G. Thomas, of Covelo's bank, was called to Ukiah Saturday by the serious illness of his father-in-law, Seth Williams.

Miss Florence Russell has resigned her position at the "Kandy Korner" to the regret of many whom she has so pleasantly and efficiently served.

Miss Maidee Perry, daughter of Brad Perry, of the Sacramento valley, will assist at the Kandy Korner in the future.

Miss Myrtle Montague departed Monday for her school at Redding, after spending her summer vacation in Round valley. Her younger sister, Miss Adele Montague, will leave Wednesday to attend high school at Redding.

Clinton Azbill, nephew of Clifford Foster, is attending high school here and is a welcome addition to the school.

Will Osborne, our successful poultryman, has returned from a visit to Mr. and Mrs. Philo Tuttle, of Eureka.

DEFENSE

and PREPAREDNESS every one must admit are vital to success in any line of endeavor. To undertake the most simple tasks of life one must be prepared and ever on the defense to protect themselves against the greed and selfishness of others.

These qualifications are just as essential in the financial world as elsewhere, and if you would succeed financially you must prepare for emergency by setting aside a fund for that emergency which may pop up at any moment.

M'COWENS TELL OF TRIP NORTH

Mr. and Mrs. Hale McCowen, Sr., returned the latter part of last week from a tour of Alaska, Yukon territory and British Columbia. They report a most enjoyable trip with many wonderful sights and many interesting experiences along the way. Their itinerary included a trip to Skagway, Alaska, Atlin, British Columbia, and Dawson, Yukon Territory, and many other points of interest in the sections visited. Their trip to Dawson necessitated a four hundred and sixty mile trip on the Yukon river through one of the most picturesque sections of the Klondyke country. The steamboats which ply on this river are of the old-time sternwheeler type such as were in use on the Mississippi river at the time Mark Twain wrote his well known story "The Gilded Age."

Mr. and Mrs. McCowen were twenty-three days on the water and neither of them, at any time, suffered in the least from sea sickness. The trip was made on the so-called "Inside Passage," which constitutes one of the most beautiful as well as one of the smoothest and most pleasant waterways in the world. The voyage from San Francisco to Seattle was made on the steamship H. F. Alexander, famous as the fastest and finest coastwise vessel in the world, the trip from San Francisco to Seattle being made in thirty-nine hours, which is within one hour of railroad time. The trip from Seattle to Skagway was made on the Admiral Rogers, the time being six days up, and seven days on the return trip, the difference in time being occasioned by the frequent stops during the latter to take on freight. This freight consisted principally of canned salmon and it was reported that on leaving Ketchican, the last port of entry for freight, the boat had in its hold one hundred and twenty thousand cases of salmon. It has frequently been said after having visited the salmon canneries of Alaska one will never again eat canned salmon. But the McCowens say they were so pleased with the sanitation and great care manifested throughout the canning process, their zest for the product will be no whit lessened by their visits to the canneries.

Some of the most interesting places visited were Juneau, the present capitol of Alaska, Sitka, the old capitol, and Dawson, where the Alaska and Yukon Mining Company are still operating. Through the courtesy of Mrs. Charles McLeod, a former Ukiah girl and a niece of Mrs. Isabel Roeder of this place, the McCowens enjoyed a trip through the dredger and smelting works operated by this company, and handled gold bullion to the amount of fifteen thousand dollars, an altogether unique and novel experience. Mr. and Mrs. McCowen were delightfully entertained at luncheon by Mrs. McLeod and were indebted to her for a most pleasant drive through the interesting Klondike region and for many other courtesies. Mr McLeod is prosecuting attorney for Yukon Territory and at this time was away on business connected with his office. The dredger in use by the Alaska and Yukon company operates on the Klondike river and gold to the amount of ninety thousand dollars a month is sent out from this mine, but notwithstanding this seemingly fine output it is said the company will not operate after this year, as the work is very expensive. The wear and tear on the dredgers is very great and a single dredger costs one-half million dollars.

From Skagway to Whitehorse, where the boat was taken for Dawson, the trip was by rail, the road much of the way paralleling the old White Pass trail over which, in the days of the gold excitement, passed many thousands in their mad rush to the Klondike, and where in the White Horse Rapids and at other dangerous points along the way, many met their death. On this trip also could be seen, in the distance, parts of the old Chilcoot Pass which shares equally with the White Pass in historic interest. The ride from Skagway to White Horse was a wild one through a most picturesque section of country and was replete with interest from beginning to end. Contrary to the general impression that the Klondike region is one of perpetual snow and ice neither was seen on the trip down the Yukon river and the weather at Skagway was most delightful, or if anything a little hot. Many glaciers and much snow, however, were seen on the ocean voyage, from Ketchican to Skagway, but, strange as it may seem, the atmosphere was, at all times mild and pleasant. Two wonderful glaciers were seen at close range—Toku, seen from the boat near Juneau, and Mendenhall, some thirty miles ride by machine from Juneau and Mr. and Mrs. McCowen are now entitled to wear the famous glacier bug, the emblem or badge worn by those who have seen a real live glacier. Among other interesting items learned about Juneau was one to the effect that there were in the town four hundred automobiles with but thirty miles of road on which they could be used.

Some of the most interesting experiences came to Mr. and Mrs. McCowen through their meetings with ex-residents of this section. At Skagway was Mr. Farmer, a relative of Mrs. Martin Donohoe, of Ukiah, and who does a thriving business as florist and nurseryman. Mr. Farmer, who left Ukiah some thirty-five years ago, was at one time a pupil of the late Mrs. George McCowen in the Ukiah grammar school. At Juneau were Mrs. Warner, a daughter of the late Louis Rosenberg, who formerly had a thriving mercantile business in Ukiah; Mr. Charles Goldstein and son, friends of Mr. Louis Hofman of this place and Mr. Simpson, brother of Mrs. L. C. Beasley also of Ukiah. Mr. Simpson is the proprietor of "The Nugget Shop," one of the most extensive as well as the most beautiful and attractive curio shops in the northwest. Mr. Goldstein has one of the finest and most up-to-date, modern department stores in Alaska or in any section of the far north.

At Seattle the McCowens visited Mrs. Cornelia Horton Duncan and here met Mr. and Mrs. O'Rourke and Henry Todd. Mrs. O'Rourke will be remembered as Derona Sanford, a sister of Senator J. B., Oscar and Ed. Sanford. Mr. O'Rourke has a splendid position with the telegraph company and Mr. Todd, who left here about thirty-five years ago, and who will be remembered as a brother of the late Marion Todd, is owner of a fine music store. Among others met and called on were Mrs. Jane Joy, a sister of Mrs. M. C. Duncan and Mrs. Nannie Isbell Morgan and Robert Morgan. The two latter being respectively sister and nephew of Sterling Isbell of this place. Mrs. Morgan and her son are successfully engaged in business in Seattle, the former manager of an employment office and the latter as owner of a fine store handling umbrellas, awnings, covers, etc. Miss Seger, a sister of Mrs. Flesham, of Ukiah also, received a call from Mr. and Mrs. McCowen. Miss Seger has for years been prominently identified with the Hudson Bay Fur Company of Seattle and one cannot fail in being impressed with the beautiful store and the fine business conducted and owned by this great firm.

From Seattle Mr. and Mrs. McCowen in company with Mr. and Mrs. Nice, visited many points of interest in Seattle and the north of Washington country. Among those were Mt. Ranier and a beautiful resort called Big Four. At both of these places wonderful glaciers were seen and at the latter the party walked over a glacier and through most interesting ice caves, walked for one hundred yards under the glacier, and for the benefit of any one who wishes to take a trip Mr. and Mrs. McCowen wishes to advise them to visit the north of Washington country, where they will find scenery as beautiful and grand as may be found in Alaska for that matter or in any other portion of the world.

Miss Wanda Ornbaun left the early part of the week for San Francisco, where she has entered St. Luke's hospital to train. She was accompanied to the city by her father, W. F. Ornbaun, who returned home Tuesday.

INDIAN WOMAN BURNED AT SANFORD HOPYARD

Mary Frias, Indian woman aged about 85 years and paralyzed, was burned to death at the hop fields of O. A. Sanford in Scotts valley Thursday afternoon. The aged woman, who was the mother of Mrs. Bella Augustine, lay in a tent, and when a fire started in the dry grass along the fence line, and ran a distance of ten feet, catching the flimsy structure, she was unable to help herself.

J. Pollard, lying sick in an adjoining tent, saw the fire and shouted for help, but before hop pickers from the field could reach the camping place, the tent, straw and bedding were entirely in flames. B. Woods, George Pool and others rescued two small Indian children, daughters of Mrs. Augustine, who were asleep in the tent. One had the hair partially burned from her head. The tent of another hop picker and his Ford car caught fire and were destroyed.

Mrs. Frias lived for a little over an hour after the accident, but without hope for recovery, as her body was terribly burned. Witnesses state that it was a remarkably hot fire considering the small amount of combustimle material on the spot.

Coroner H. M. Jones held an inquest, and the jury returned a verdict of accidental death by burning. All of the Indian children in the vicinity at the time were questioned, but disclaimed any blame or knowledge of playing with matches or otherwise starting the fire. The only other theory was furnished by the presence of a bunch of burned matches lying near a broken bottle neck. It is believed the sun's rays concentrated through the glass, lighted the matches and started the blaze. Sheriff McKelley and District Attorney Ben Jones investigated the case shortly after the fire, but could find no evidence of culpability of any person for the fire or death.

Funeral services for Mrs. Frias Lakeport Sunday afternoon.—Lakeport Bee.

REDWOOD VALLEY

REDWOOD VALLEY, Sept. 10.—Mrs. Gholke formerly of Redwood valley has purchased an apartment house in Ooakland where she will make her home.

Prof. Shultis was a visitor at the farm center meeting Tuesday night. We are always glad to have Mr. Shultis with us, as he always has something worth while to say.

Clifford Smith finished hoppicking last Thursday, despite the dry spring he harvested the largest crop of hops he has ever raised.

The farm bureau has decided to conduct a squirrel poisoning campaign on September 28, 29 and 30. There are many squirrels in the valley. All are asked to cooperate in destroying this pest.

Miss Dorothy Ledyard, American Red Cross representative, who is to speak at the teachers' institute in Ukiah on the afternoon of Sept. 24, will come to Redwood valley and give a little talk the same afternoon. The hour will be announced later. All ladies of the valley are urged to attend. This will be the first of a series of meetings of special interest to the ladies of Redwood valley, and it is hoped there will be a large attendance.

THE FIRST BAPTIST CHURCH OF UKIAH, a corporation, Plaintiff,

vs.

THOS. J. GIBSON, also known as T. J. Gibson, also all other persons unknown claiming any right, title, estate, lien or interest in the real property described in the complaint adverse to plaintiff's ownership or any cloud upon plaintiff's title thereto, Defendants.

Action brought in the Superior Court of the County of Mendocino, State of California, and the complaint filed in the office of the Clerk of the said County of Mendocino.

The People of the State of California Send Greeting to:

THOS. J. GIBSON, also known as T. J. Gibson, also all other persons unknown claiming any right, title, estate, lien or interest in the real property described in the complaint adverse to plaintiff's ownership or any cloud upon plaintiff's title thereto, Defendants.

YOU ARE HEREBY DIRECTED TO APPEAR and answer the Complaint in the action entitled as above, brought against you in the Superior Court of the County of Mendocino, State of California, within ten days after the service on you of this Summons—if served within this County; or within thirty days if served elsewhere.

And you are notified that unless you appear and answer as above required, the said Plaintiff will take judgment for any money or damages demanded in the Complaint as arising upon contract, or it will apply to the Court for any other relief demanded in said Complaint.

Said action is brought that it might be adjudged that the above named defendant, and all other persons unknown, claiming any right, title, estate, lien or interest in the real property in said complaint, and hereinafter described adverse to plaintiff's ownership, be made to set forth the nature of their claim or claims to said real property, if any they have, and that such claim or claims be adjudged to be of no effect and void, and that plaintiff's title to the said premises be quieted against them.

Said real property is particularly described as follows:

The East half of Block Thirty-one (31) of said Town of Ukiah City according to the recorded map thereof.

Also: A strip of iand twenty (20) feet in width and about two hundred (200) feet in length off of the east side of the west half of Block Thirty-one (31) according to the plat of said Town of Ukiah City as recorded in the office of the Recorder of Mendocino County. Excepting from the above described land the following portion thereof, to-wit: A strip of land 132 feet long and 60 feet wide in the northeast corner of Block Thirty-one (31) of said Ukiah City and more particularly described as beginning at the southwest corner of Oak and Henry Streets in said Town of Ukiah City and running thence in a westerly direction along the south line of Henry Street 132 feet to the northeast corner of land of Clark; thence southerly along the east line of Clark's land 60 feet; thence easterly and parallel with Henry Street 132 feet to the west line of Oak Street; thence northerly along the west line of Oak Street to the place of beginning. Being the same property conveyed to W. W. Porterfield by The First Baptist Church of Ukiah a corporation by deed dated January 10th, 1906 and recorded in Book 99 of Deeds at page 470, Records of Mendocino County, California.

Given under my hand and the seal of the Superior Court of the County of Mendocino, State of California, this 14th day of July, 1924.

(SEAL)

W. H. PRATHER, Clerk.

By BEVERLY BROADDUS, Deputy Clerk.

CHARLES KASCH,
Attorney for Plaintiff. 42-10

Print the News and Tell the Truth

By J. B. SANFORD

SAN FRANCISCO, Cal., Sept. 10.—As to just what influence will control the next legislature will be decided by the people at the election in November as there will be many districts in which the whole contest will be fought all over again at that time. The fight is between the people on one hand led by Governor Richardson, and the old state "machine" led by a bunch of discredited politicians on the other.

* * * * *

Governor Richardson stands for economy and efficiency and insists that the state MUST LIVE WITHIN ITS INCOME. It is plainly a simple proposition of substituting business methods for political extravagance. A "machine" is a good thing for the political "parasites" that live off the government, but it is a very expensive proposition for the people. No sensible business man would put a bunch of political hacks on a job and expect them to do the job efficiently or economically.

* * * * *

The only objection against Governor Richardson comes from a lot of political bums who are trying to hold onto their jobs. If Richardson should have a legislature that would cooperate with him there will be a business administration of the affairs of the state and the bums will lose and the people will win. That's the whole issue. There has been much nonsensical propaganda scattered by these "parasites" in an effort to deceive the voters. Every conceivable lie has been told with malice aforethought in the hope of discrediting the Governor.

* * * * *

The "machine" is being aided and abetted by the "yellow press" of the state. The "yellow press" does not print the news as it occurs but prints it the way the big yellow editors wish it had occurred. They just print it the way they want it and in a way to serve their selfish ends. Some of the big yellow journalists have made certain demands upon Governor Richardson and the Governor has refused to take their orders, hence the cruel misrepresentations printed in flaming type. The "news" is simply "manufactured" for the occasion and to suit the motive of the monumental pigmies who are laboring under the hallucination that they are running the Governor of California! Richardson has brought them up with a short turn, and they are expressing their displeasure by gritting their teeth and saying harsh things of the Governor. If you are in doubt about anything, believe just the opposite of what appears in the big yellow journals. If in doubt about voting, vote against all things advocated by the yellow press, and you will be about right.

* * * * *

Governor Richardson promised the people a business administration and he has given them a splendid illustration of how to conduct a government by taking politics out of the government and taking the government out of politics. At the end of the first fiscal year of the first biennium every department of state government closed its books with a *healthy balance* to its credit, showing that the budget had been planned and made along *scientific lines* and that the government had been conducted WITHIN ITS INCOME. Heretofore few departments lived within their incomes and it was the RULE THAT THEY BE PERMITTED TO CREATE DEFICIENCIES. Not so under Governor Richardson, however. Every department had to live according to the amount allowed by a scientific budget; they had to conduct the business according to business principles. There was sufficient money appropriated for every needed purpose, with a total balance of over ONE MILLION dollars at the close of the fiscal year ending June 30th. A most remarkable record! Had the spendthrifts had their way, there would have been a deficit of about FORTY MILLIONS OF DOLLARS, as that was the amount that Governor Richardson stopped by a veto. Or in other words, had Richardson not forced the budget through there would have been an advalorem state tax rate sufficiently high to produce the necessary $40,000,000! Mr. Taxpayer, it will be to your interest to vote only for those candidates for the legislature who promise to support the Governor's demand that the *state live within its income by adopting a scientific budget.* Vote for no candidate for the legislature that does not make clear his position upon this question of taxation. This is the people's fight. The Governor only asks your co-operation. He does not seek to build up a "machine." He wants to destroy the present expensive machine.

BOONVILLE GIRL WEDS IN SANTA ROSA SEPT. 5

SANTA ROSA, Sept. 9.—The Presbyterian parsonage of this place was the scene of a very pretty wedding on Saturday, September 5, when the marriage of Miss Ruth Charity Cureton of Boonville, Mendocino county, to Clarence Ornbaun Patten of Gustine, Merced county, was solemnized, Reverend E. E. Ingraham officiating.

The guests included Mrs. E. E. Ingraham of Santa Rosa, Mr. and Mrs. William Cureton of Boonville, Mr. and Mrs. Leonard Cureton and daughter, Galene, of Martinez, Avis and Forest Cureton of Gustine, and Oliver Cureton of Boonville.

The bride is the youngest daughter of Mr. and Mrs. William Cureton, of Boonville, and a granddaughter of the late Supervisor A. G. and Mrs. A. G. Ruddock, of Philo. She is a graduate of the Anderson valley high school and also holds a diploma from the State Teachers' College of San Jose. She has been employed at the Cottonwood school for the past year.

The groom is well and very favorably known farmer from the Merced section, where by his upright character and sterling worth he has won a host of friends. He is the owner of one of Gustine's well known Holstein dairy herds of registered stock.

After a pleasant day with intimate relatives the bride and groom took the southbound train for a short honeymoon trip, after which they will be "at home" after September 15, at Gustine, Merced county, where Mr. Patten has a home in complete readiness for his bride.

They have a host of friends in the Santa Rosa section who extend heartiest congratulations.

TO ATTEND STATE MEETING

Keith C. Eversole, president of the Mendocino County Bar Association, left this week to attend the annual convention of the California Bar Association, which is being held this year at the Hotel St. Catherine, on Catalina Island. Judge Preston, who had intended to go, was at the last minute unable to leave. He and Mr. Eversole have together attended each annual convention of the state association for several years past. Mr. Eversole has arranged to try several cases on this trip which he has pending in Los Angeles and in San Diego, and will return about the 18th.

A CORRECTION

In writing the story of Arthur Vick, of Covelo, whose confession to the perpetrating of the crime with which he is charged was obtained by W. F. Ornbaun, we referred to Mr. Ornbaun as a deputy sheriff. This was an error, as Mr. Ornbaun is not a deputy sheriff. He obtained the confession by reason of his previous acquaintance with Vick, who often worked for him at Covelo, volunteering his services to Sheriff Byrnes after Vick had been arrested.

SUPERVISORS PROCEEDINGS

(Continued from page 1)

at 10 A. M. Oct. 14th, 1924, were ordered advertised for.

Bids for purchase of Signal School District bonds were opened and bid of Savings Bank of Mendocino County of par, accrued interest and $55 premium was the only bid received and was rejected, and bids for the sale of said bonds, to be opened at 11 o'clock A. M. Oct. 14, 1924, were ordered advertised for.

Claims of the 5th road district, bearing Clerk's numbers 645 to 652, both inclusive, were by a 4-5ths vote of the Board ordered paid out of the County General No. 5, 1924 fund.

John McGimsey was appointed courthouse janitor and gardener, said appointment to take effect at once.

By a 4-5ths vote of the Board, the cost of construction of a road over Fairbanks Hill, as set forth in claim bearing Clerk's number 759, was charged to the County General 1924 fund.

The reports for the month of August of the Steward of the Mendocino County Farm and Hospital and of the Horticultural Commissioner were accepted.

The County Clerk was directed to certify to the County Auditor, from the returns received from each election precinct, the names of persons who served as election officers at the election held August 26, 1924, and the Auditor is authorized to draw her warrant for each such officer in the sum of $6.

The Board then designated the polling places and named the Boards of election officers for the various voting precincts for the general election to be held November 4, 1924.

The necessary claims against Mendocino County were acted upon as shown by the allowance book of the Board of Supervisors for September, 1924.

The Board then adjourned.

Mrs. P. H. Joseph and children are in San Francisco this week.

TAKES NEEDLE ROCK RANCH

C. E. Gordon, of Manchester, has bought the Needle Rock ranch and on Wednesday took up a bunch of cows from Manchester and will shortly bring in a big band of sheep from Humboldt county. This big ranch, which is well known all over the county, contains about 2,000 acres and is well watered.

Mr. Gordon will run mostly sheep on the range.—Beacon.
